Dear Community Partners:

Please accept my thanks, as Chair of the Board of Health for Public Health Sudbury & Districts, for your contributions towards making free local transportation services available to community members during this pandemic.

The free transportation provides equal opportunity for our marginalized population to access vaccination clinics who would otherwise not be able to attend their COVID-19 vaccination appointments.

As evidenced with this initiative, the support and collaboration of community partners for our local COVID-19 Vaccine Program has been astounding and important. On behalf of the Board of Health, thank you for your contributions.

Sincerely,

René Lapierre  
Chair  
Board of Health
